

Dear GSCA/CTI Advisor:

The Atlanta Hawks have teamed up with GCSA and CTI and we are happy to announce the **5th Annual GCSA/CTI Day** with the Hawks! Although this is a GCSA and CTI Day, it is open for all of the students at your school. This educational workshop will focus on resume writing, interview tips, and information about job shadowing opportunities. You and your students will have the opportunity to hear about many of the careers and “behind the scenes” activities that go into running and maintaining a professional sports franchise. NEW to the event this year is a College Fair that will take place on the main concourse of Philips Arena prior to the speaking event. Following the event you can sit back and watch the Hawks as they take on the Dallas Mavericks at 7:00pm.

The workshop and a ticket to the game that night are included in your registration. Cost is based on seat location for the Hawks game. Please see the attached flyer to register. Below is information regarding each of the ticket options that you can share with your students.
